PRESIDENT'S COLUMN

Sandy Anderson

Thank you to Sharyn Resvick, Threads of Time, who presented many historical samples of quilt patterns, colors and fabrics of the past. She informed us that the rotary cutter was introduced to quilters in 1979! Her presentation was well organized and it was a very interesting history lesson for quilters. Special thanks to Terri Bahn for greeting and helping her set up.

The Dog Days of summer are here, and gardens are flourishing and flowers are in full bloom. The St. Cloud SCHQ Quilt show is September 28 & 29. I hope everyone is binding, labeling and getting their quilts prepared for the SCHQ Quilt Show. And sell your raffle quilt tickets!

NAME TAGS: It was great to see so many members wearing their name tags at the meeting. It helps us to get to know each other by name. If you don't have one, please make one to wear at all SCHQ events.

Nominations Please: Board members are nearing the end of their terms and we are looking for members to volunteer or be nominated for the year 2020. Nominate your friend and be a co-nominee with your friend. Each position works well with two people.

Open Positions for 2020:

President: Preside at meetings each month and write an article for the newsletter each month.

President-elect: Serve with president for the first year and assume the President position for the second year.

Secretary: Take minutes at board meetings.

Programs: Seek out programs/speakers for our meetings. You should get lots of help and suggestions from members, or if you see something you want to learn, go for it.

Service Projects: Coordinate our quilt donations to the various organizations we give to. These are all worthwhile causes and we need to have someone to coordinate it.

Small Groups: Karen Cyson said she would like a partner to help with the small groups. Karen will work with you and continue to seek out Mystery Quilts and the partner will pass out the clues each month.

PROGRAMS**Teri Durbin**

The speaker for our August meeting is Sue Harmon, a quilt appraiser who has done appraisals for our last two quilt shows. Sue will be presenting, "What's this Old (or New) Thing Worth?" How do appraisers come up with a value for my quilt? How do they determine the age of a quilt? Did you know that your brand new quilt that you just completed would probably be replaced for the value of a blanket (\$15-20) by your insurance company without a written appraisal by a certified quilt appraiser? Sue will be using quilts from her collection, which continues to grow, to present examples for her presentation. Sue Harmon has over forty years' experience as a quilt teacher, shop owner, lecturer, quilt historian, and appraiser. She is knowledgeable in quilt history, care, restoration and appraisal of quilted textiles, especially those from the turn of the 20th century. Sue began quilting in 1974. After a move to rural Illinois, she was convinced to teach classes and eventually opened a quilt shop. With this began lectures on the history of quilting, dating of fabrics, care and restoration. Sue has taught, lectured and appraised throughout most of the Midwest.

Time: 1:00 pm to 3 pm

Where: Salem Lutheran Church, 90 Riverside Drive SE, St. Cloud, MN 56304

"Would you like to see my vacation pictures? Pull up a chair and join me as we tour The Netherlands and France with the Cherrywood Challenge Van Gogh Tour! SMALL GROUPS

Karen Cyson

In August, those working on the Mystery Quilt will receive clue 5. How has the project been going for you? Easy? Too easy? Just right? Please let me know so I can gauge the style quilt I select for the 2020 mystery project. I've finished my 2019 quilt so I can show it to you when I hand out the finishing instructions and, while I think it's adorable, I should have had a greater contrast between my medium and dark fabrics. Lesson learned ☺

Featherweight Group - This group does fun projects throughout the year. To be part of this group, you must own and bring a Featherweight sewing machine. Julie Johnson is the facilitator. They meet the second Thursday of the month at 9:30 am at Messiah Lutheran Church in Sartell, MN. Contact Julie to be added to the email list for meeting notices.

Undercolor Club - This group meets the last Wednesday of the month at 5:30 pm at Dunn Bros. Coffee Shop in the Coborn's on Cooper Ave. S. This group works with the "Color Play" book. Make a small project or bring fabrics to illustrate the color combination. Contact Marlyn Anderson.
