

5" or 7" Squares Quilt Top Instructions

5" squares lay-outs:

- Crib—10 across x 13 down (45" x 58.5"); 130 total
- Kid—13 across x 16 down (58.5" x 72"); 208 total
- Twin—16 across x 20 down (72" x 90"); 320 total

7" squares lay-out:

- Twin—11 across x 15 down (71.5" x 97.5"); 165 total

1. Lay-out or chain stitch the blocks into columns or rows. These tops are meant to be scrappy!

2. Press even rows or columns in one direction and the odd rows or columns in the opposite direction.

3. Sew rows or columns together.

4. Please press the completed top & stay stitch (scant $\frac{1}{4}$ ") around the edges of the top to secure the seams.

Please give Julie a call at 320-250-5303 a call if you have questions (email julieza13@me.com)

Thank you & happy sewing!
