## PRESIDENT'S MESSAGE

**Julie Johnson**

Happy June,

We are approaching the halfway point of the year and there is much to do! Have you registered those quilts for the October quilt show? Did you purchase a ticket to hear national speaker Tammy Silvers from Tamarinis? Have you signed up for a volunteer spot at the quilt show and sold those raffle tickets? Yep, I haven't either. But I keep a list of everything to do and these are on my "to do" list. Keep working on it so we have a fabulous quilt show.

I hope you have been able to attend meetings lately and hear the wonderful speakers we have had. It's been our commitment to have a broad array of speakers and shops since Covid-19 put us all in a loop for 2 years. It is wonderful to see everyone again, to socialize and celebrate all the beautiful quilts you have made. We encourage you to bring neighbors and friends to quilt guild meetings, whether new quilters or seasoned quilters.

I first learned to sew in 7th grade in "home economics". It was the 1970s and tube tops were all the "rage". I remember proudly wearing that ill-fitting garment all summer until my stitches wore out LOL! I took a long break from sewing and started again in the 1990s. As a young stay-at-home mom, I needed an out from the fantastic party of three under four and a half years of age. So, I took a community education class and now almost 30 years later, I'm still quilting. As a result, I am a total fan of new sewers and quilters and am so thankful we have you in our guild to show off your first quilts because they are such an accomplishment!

Keep sewing, but don't forget to get outside as well. Summer and fall are my favorite seasons. A good bike ride, hike, walk or just having coffee outside in the morning feels great after our long winter.

To many more stitches....

~ Julie [Contact Julie Johnson jjfarm65@gmail.com](mailto:jjfarm65@gmail.com)

They have kits to make them, and have all the supplies you need if you would like to create your own.

**There will also be a workshop with Bonnie on June 3rd. See page 3 for details on how to register. There are only a few spots left.**

**QUILT SHOW - 2022****Chris Hoover and Renee Sauve****SCHQ Quilt Show “Land of 10,000 Pieces ...” - News**

**WE NEED YOUR QUILTS!!!** Quilt registration is now open and we are looking for quilts. Our current number registered is less than 50 – not quite the number we are looking for. Registration forms and the instruction sheet are included with this newsletter. One registration is in PDF format and the other is a word document. There will also be printed forms available at the meetings. Please read the instruction sheet before filling out the forms as some changes have been made. Submit the completed forms to Maggie Voigt via mail, email, or at the meetings. Her contact information is on the instruction sheet.

Regarding that number we are asking you for, please tell us what that number means in the description part of the form. Some of the totals Maggie has so far: 56,391 pieces; 5,475 days; 48 quilting patterns; 54 shops; 18 flowers; 3,600 miles; 96 circumference seams; 186 pounds of tomatoes; 3 pumpkins; 3 witches’ hats; and 4 little chicks. I can’t wait to see these quilts and read about these numbers!

Two more things: NO hanging sleeve is required for any quilt. Please know that if your quilt is small, we may use pins to hang it instead of the hangers.

20 Blocks for 2020 was a block of the month I offered during 2020. If you are entering these in the quilt show, enter them under the category “Special Group Hanging” and list the group name as 20 Blocks for 2020. My President’s Challenge for 2020 was called “It’s All about the Numbers”. (Quilts were supposed to be 20” square and I gave out fabric to be included in the quilts.) Enter these quilts in the 2020 President’s Challenge category.

**We are looking for donations for our raffle basket/small quilt auction.** Whole baskets, single item donations and small quilted items will be accepted. This is a very successful fundraiser at our show so please consider donating. Contact Mary Proell [xrayproell@hotmail.com](mailto:xrayproell@hotmail.com) or Pam Rickbeil [pamela.rickbeil@gmail.com](mailto:pamela.rickbeil@gmail.com) if you have questions.

**We are posting show updates every Thursday on our quilt show Facebook page!** Please share our posts with your friends to get the word out. We would love to share photos of quilts that will be in our show. Full on shots or close up photos of the piecing/quilting would be greatly appreciated. Send photos to Chris Hoover.

**Tales of the Traveling Raffle Quilt** - The beautiful raffle quilt has been making appearances around Minnesota.

- May 9th it was at the Baxter Guild. Chris Hoover and Terri Bahn displayed the quilt and sold 100 tickets.
- May 10th it was at Gruber's Quilt Shop. Maggie Voigt and Nancy Piltz displayed the quilt in the common area and sold 42 tickets.
- May 11th it was at Gruber's Quilt Shop. Maggie Voigt and Diann Kremer displayed the quilt in the common area and even with all the storms were able to sell 24 tickets.

**We are looking for people to sell raffle tickets on June 17<sup>th</sup> and 18<sup>th</sup> at Grubers. If you are available to help, contact Mary Ann Terwey 320-291-1655 (call or text) [mterwey3@gmail.com](mailto:mterwey3@gmail.com).**

## QUILT SHOW – 2022

*(Continued from page 4)*

**We are also looking for 4 people to sell raffle tickets at the MQ show on Thursday, June 16<sup>th</sup>. Time slots are 9 to 11 or 11 – 1; two people per time slot.** If you are interested, please email Chris.

Our quilt show is not just about making money for the guild. The quilt show committee considers our show to be educational and inspirational too. We want to educate the public on who we are, what we do and what we do for the community. We want to inspire attendees to become quilters (if they aren't already) or to expand their quilting skills if they are quilters. We want everyone to share our passion. I have been told that some members feel their quilts aren't elaborate enough or good enough to be in our show which makes me really sad. I wasn't inspired to start my quilting career because of an elaborate applique quilt, or foundation pieced quilt, or even a quilt with thousands of pieces like our raffle quilt. I was inspired 33 years ago by a simple, scrappy, blue log cabin lap quilt that I saw. Those simple shapes made me think, "I can do this!" I love all quilts and am inspired by all quilts, but that simple log cabin quilt is the reason I became a quilter. Your "simple" quilt could inspire someone to become a quilter, too. Please, please consider entering at least one quilt in our show. The sooner, the better!

**SMALL GROUPS****Alice Sue Becker**

**2022 Mystery Quilt** - The First Clue (fabric requirements and cutting instructions) for Bobbin Along will be available at the June SCHQ meeting. If you are unable to attend, I will keep your clues for you and have them available at the following meeting. We have 25 participants in this program. If you have any questions, contact me at [karencyson@aol.com](mailto:karencyson@aol.com)

**Machine Embroiderers** - Are you interested in joining a small group to talk about machine embroidery? Any skill level is welcome – newbies all the way to embroidery masters. All embroidery types are welcome: wall hangings, quilting with your machine, or just adding embellishments to clothing. We would not be doing any sewing; it will be just a discussion group to share tips about our favorite threads, stabilizers, designs and, of course, show and tell. Let's all share our expertise with each other. Sign up at the meeting or contact Marjorie LaTour by email [mal2@charter.net](mailto:mal2@charter.net) or by phone 320-761-6362 (Note: email preferred).

**Featherweight Group** - The Featherweight Small Group is for sewers who own a Featherweight Sewing Machine. The group meets in person on the second Thursday of the month, from 9:30 am to 3:00 pm at Messiah Lutheran Church, 320 4<sup>th</sup> Ave N., Sartell. Cost is \$3 for use of the facility. Contact Julie Johnson ([jjfarm65@gmail.com](mailto:jjfarm65@gmail.com)) to be added to the email list for meeting notices.

**The Undercolor Club** - The Undercolor Club is meeting again. We meet at 5:30 in the seating area for Caribou Coffee in CashWise, the last Wed. of the month. Contact Marlyn Anderson ([pyromarquilter@gmail.com](mailto:pyromarquilter@gmail.com)) for more information.

We have graduated to a new book. It is "The Quilter's Field Guide to Color" by Rachel Hauser. There are 150 color swatches included in the book. You cut them apart and they are used in the different lessons. This author has you making a Bear Paw block for each lesson. As in the past we pick a lesson and make a block for the next meeting, illustrating that lesson in fabric. Using the same background fabric for all the blocks will aid in a cohesive quilt when all the blocks are sewn together.

**The Longarm Group** - The Longarm Group will start meeting again on Monday, June 6<sup>th</sup>, from 7-9 p.m. at Alice Sue Becker's house. If you own a long-arm or mid-arm quilting machine, or are thinking about buying one, you are welcome to join this group. We share ideas, designs, successes and failures(!) and dessert. Please email Alice Sue Becker ([horsebeck@gmail.com](mailto:horsebeck@gmail.com)) if you plan to attend.

**The Scrappy Stashbusters** - We have one rule! All fabric must come from your stash, except background and backing can be newly purchased! Have as many or as few fabrics in your quilt as you want! Emphasis is making your stash smaller! We have no meeting time, day, or place. Anyone in the Guild can join and sew when and where you choose! When you have your quilt finished you have made your stash a little smaller and you can keep your quilt or donate to the Guild where Sue or Pat will see that it goes to a well-deserved place. Take a picture of your quilt and write a little something about it and give it to me and we can make a photo album of them. Also, since it is a small group, we can put some in the Guild quilt show this Fall! Happy sewing.
