PRESIDENT'S MESSAGE

Julie Johnson

Hello all,

It's kind of, sort of, maybe, spring out there. It is definitely not spring up on the Iron Range. My sister-in-law is still getting snow every other day and out cross-country skiing! They will likely have snow on the ground in May this year.

The extended winter did allow all of us to work on those quilts, runners and gifts for ourselves and others. I'm in the middle of baby quilt #2 and just heard my little grand-niece or nephew is likely to come early so I'd better keep at it the next few weeks. Baby #1, my third great nephew, arrived last weekend so that was great news.

One of my favorite activities is my big garden, but with the extended winter I still haven't planted a single seed. The ground is still frozen about a foot down so I believe it will be a month yet before I am able to get my hands dirty again.

I just may lose it if it snows again though. I am completely a summer/fall person. I love the heat, summer breezes through the windows and long walks in the woods or state parks.

So, enjoy spring when it arrives. Go for a walk, ride, or nap outside. A cup of coffee or tea on the front porch is always a good idea, and of course sewing on those rainy days.

Happy Spring in my winter coat!

PROGRAMS

Nancy Piltz

May 5th Program

Our speaker this month is Pat Speth from St Paul, MN. She will present a trunk show and lecture, "Five Inch is a Cinch". Pat began quilting in 1988 when she purchased a wool quilt batting from her grandmother's auction. Pat started working with 5-inch squares as a basis for her quilting in 1993 after attending her first retreat. She was asked to do a program for her guild in 1997 using 5-inch squares, which gave her the push to explore new uses and techniques for working with the squares. She has published several books using them. She is currently working on her line of individual patterns, a Block of the Month Quilt, and has just finished her fourth book. **There will also be a workshop with Pat on the same days as the Guild meeting. See page 3 for details on how to register.**

New Mystery Quilt Program

Last Call! The final opportunity for SCHQ members to sign up for the 2022 Mystery Quilt will be the May membership meeting. The cost per member is \$5. Our quilt, Bobbin Along, will be a 6-month mystery. The clues will be distributed at Guild meetings from June until December. No clues will be sent via electronic means (email, etc.). Bobbin Along can be made in Twin, Full, or Queen size. The techniques used are "advanced beginner" level- squares, rectangles, half-square and quarter-square triangles. There are NO Y-seam3s, partial seams, curves, or applique clues. The fabric requirements call for 3 fabrics, a background and two contrasting fabrics. If you have any questions, you may contact Karen Cyson weekdays.

Special Events – May 5th Workshop with Pat Speth

The Guild is hosting a fun workshop with Pat Speth on Thursday, May 5th. This will be an all-day workshop starting at 10:00 AM. Pat will also be the speaker for the May 5th Guild meeting.

The workshop is “**Half Square Triangles and Four Patches**”. You can select one of 15 quilts to make in this workshop

- **Quilts Taught:** Choose from 15 patterns: Jewel Box, Northern Lights, Sunny Lanes, Mount Hood, Flying Home from Bali Bali, Beach Party, Shoo Fly, Jacob's Ladder, Path and Stiles, Idaho Beauty, Churn Dash, Heritage Trail, Market Square, Hickory Hills, and Texas Two Step.
- **Rated:** All skill levels.

The class handout with images of the quilts you can choose from and the supply list with fabric preparation instructions is attached with this newsletter.

Half-square triangle and four patch units could be considered the cornerstones of quilting. Simple sewing and cutting techniques will turn your 5" squares into many great quilts. You can choose from 15 different quilts to make. Once you play with these units on a design wall you may come up with a new block of your own! You will also learn how to make 2 different sizes of nine patches from 5" squares and sew a mystery block! A handout will be given and discussed on how to make your pieced border fit your quilt top.

Class fee is \$25. You will need one of Pat's Nickel Quilt books with your chosen pattern in it or one of the individual patterns.

The class has a limit of 20 people.

The workshop will be held at Sartell Community Center, 850 19th Street South, Sartell, MN, (320) 258-7331.

QUILT SHOW - 2022**Chris Hoover and Renee Sauve****SCHQ Quilt Show “Land of 10,000 Pieces ...” News**

Quilt registration is now open! We are looking for lots of quilts for our show and the sooner you register them, the happier our registration chair will be. Registration forms and the instruction sheet are attached with this newsletter. One registration is in PDF format and the other is a Word doc. There will also be printed forms available at the meetings. Please read the instruction sheet before filling out the forms as some changes have been made. Submit the completed forms to Maggie Voigt via mail, email, or at the meetings. Her contact information is on the instruction sheet. As of April 17th, some of the “numbers” from the registration forms are:

6 entries, 56,391 pieces, 112 blocks. [Thanks to Marilyn Bujalski for all those pieces!] ☺
Keep those numbers coming!

We are very pleased to welcome Mary Terwey to the Quilt Show Committee! Mary is our new Raffle Quilt Travel Coordinator. She will be organizing where our quilt goes to promote our show and for opportunities to sell raffle tickets. First on the list is the upcoming MQ show. We are selling raffle tickets in the lobby of the River’s Edge Convention Center from 9-1 on June 16th. We will also need members to sell tickets on Friday and Saturday (June 17th and 18th) at Gruber’s Quilt Shop. Two-hour time slots will be available for all 3 days. Please contact Mary Terwey, Renee Sauve or Chris Hoover if you can help us out.

We will have a variety of volunteer opportunities at the quilt show and will really need your help to make our event run smoothly. When you volunteer, you will receive a half-price admission for that day and your name will be entered in a drawing for many wonderful prizes chosen just for our volunteers! Detailed information about specific duties will be available before you sign up beginning in July.

We are looking for donations for our raffle basket/small quilt auction. Whole baskets, single item donations and small quilted items will be accepted. This is a very successful fundraiser at our show so please consider donating. Contact Mary Proell or Pam Rickbeil if you have questions.

We are posting show updates every Thursday on our quilt show Facebook page! Please share our posts with your friends to get the word out. We would love to share photos of quilts that will be in our show. Full on shots or close up photos of the piecing/quilting would be greatly appreciated. Send photos to Chris Hoover.

We have sold a total of 2,620 tickets so far! Keep selling those tickets and promoting our show!

SMALL GROUPS**Alice Sue Becker**

A few members have indicated an interest in starting an Accuquilt group, for those who use Accuquilt cutters and dies in their quilt making. If this interests you, please contact Alice Sue Becker at the email address below and she will help put this together.

Machine Embroiderers - Are you interested in joining a small group to talk about machine embroidery? Any skill level is welcome – newbies all the way to embroidery masters. All embroidery types are welcome: wall hangings, quilting with your machine, or just adding embellishments to clothing. We would not be doing any sewing; it will be just a discussion group to share tips about our favorite threads, stabilizers, designs and, of course, show and tell. Let's all share our expertise with each other. Sign up at the meeting or contact Marjorie LaTour).

Featherweight Group - The Featherweight Small Group is for sewers who own a Featherweight Sewing Machine. The group meets in person on the second Thursday of the month, from 9:30 am to 3:00 pm at Messiah Lutheran Church, 320 4th Ave N., Sartell. Cost is \$3 for use of the facility. Contact Julie Johnson to be added to the email list for meeting notices.

The Undercolor Club - The Undercolor Club is meeting again. We meet at 5:30 in the seating area for Caribou Coffee in CashWise, the last Wed. of the month. Contact Marlyn Anderson for more information.

We have graduated to a new book. It is "The Quilter's Field Guide to Color" by Rachel Hauser. There are 150 color swatches included in the book. You cut them apart and they are used in the different lessons. This author has you making a Bear Paw block for each lesson. You can make one block, make 4 and sew them together with sashing to make a larger block, with or without a contrast center square. Or you can pick a totally different block to make. As in the past we pick a lesson and make a block for the next meeting, illustrating that lesson in fabric. Using the same background fabric for all the blocks will aid in a cohesive quilt when all the blocks are sewn together.

The Longarm Group - The Longarm Group will start meeting again on Monday, June 6th, from 7-9 p.m. at Alice Sue Becker's house. If you own a long-arm or mid-arm quilting machine, or are thinking about buying one, you are welcome to join this group. We share ideas, designs, successes and failures(!) and dessert. Please email Alice Sue Becker if you plan to attend.

The Scrappy Stashbusters - We have one rule! All fabric must come from your stash, except background and backing can be newly purchased! Have as many or as few fabrics in your quilt as you want! Emphasis is making your stash smaller! We have no meeting time, day, or place. Anyone in the Guild can join and sew when and where you choose! When you have your quilt finished you have made your stash a little smaller and you can keep your quilt or donate to the Guild where Sue or Pat will see that it goes to a well-deserved place. Take a picture of your quilt and write a little something about it and give it to me and we can make a photo album of them. Also, since it is a small group, we can put some in the Guild quilt show this Fall! Happy sewing. Contact Diann Kremer or Jan Stockinger.

SERVICE PROJECTS**Pat Gerchy and Sue Skoblik**

A big thank you to the eight ladies who came to sew bags for Coborn's Healing Center this month. 130 bags were completed.

The VA has put out a call for quilts for the veterans while completing their program. 70" by 90" is the preferred size for the quilts. The quilts can be any pattern, color, or prints, even flowery. 133 cancer hats have been completed and put in storage for future need. We have received a large donation of upholstery/drapery fabric which will be used for next tote bag sewing session in May. Good work, all!!!
