PRESIDENT'S MESSAGE

Julie Johnson

October is such a beautiful month and one of my favorites. Maybe it's because the leaves are all my favorite colors. The reds, yellows, browns, and greens against the blue sky are just fabulous! I also love the cool weather of sweatshirts, coffee, warm blankets and a good movie. Plus, the bonus, I move from the garden to the sewing room for some much-needed rest and relaxation.

This month we honor and celebrate our veterans with the beautiful gifts of quilts to keep them warm and to remember their service and sacrifice. It is one of my favorite meetings to simply give the gift of love and caring, something many of our service men and women need. I hope you are all able to make it to come and celebrate with these brave people who served to protect and keep us all safe.

It is also President's Challenge 2 showing! Way last March I challenged you to make a quilt using only half square triangles. That was the only requirement. Many have asked, "what about borders". Well... I never said anything about borders so use your best skills to make it look fabulous. I've seen a couple and am very impressed! I can't wait to see the rest of the tiny, small, medium or large quilts you have made. We will have a special show and tell just for these quilts. All entries receive a prize from me! Bonus, you have a quilt done for the 2022 Quilt Show.

The Heidi Pridemore class is half full. If you'd like to register, please contact Nancy Piltz or myself asap. We will open it to non-members after the October meeting. (See page 3)

Finally, I continue to monitor Covid almost every day. I also watch the statistics for MN and the vaccination rates and read every study and article I can find. We will continue to meet as long as the numbers don't spike like last November, but we do encourage masks and social distancing. 92% of MN residents over 65 are now vaccinated and that is great for our group. We want to be careful not to infect any of our members who are at high risk for serious illness. So, stay safe and hopefully it will settle down and move back to cautiously lower numbers.

Happy Sewing!

~ Julie

PROGRAMS**Nancy Piltz and Teri Olson****October 7th Program (Meeting In-person)**

SCHQ will host its annual Quilts of Honor Presentation to several veterans of military service. We had hoped to have members from Eagles Healing Nest attend. However, they may only send a staff member as they provide very specialized care at their facility. If you know of any service member who would like to be honored with a quilt from SCHQ please contact Julie Johnson by October 1st.

SERVICE PROJECTS**Pat Gerchy and Sue Skoblik**

We want to thank the gals who came to sew at the VFW Eastside. Thirteen quilters completed 200 bags to be donated to the Coborn Cancer Center. Also, many bags were cut for a future sewing session.

Two fleece blankets were dropped off for Pathways 4 Youth. They are now accepting cotton quilts, twin and regular sizes. We will be dropping off some soon.

Happy sewing/quilting and stay safe.

Help Needed – Sue has misplaced the name and phone number for the Pockets of Hope contact person. One of our members had given it to her and she would appreciate it if that member would contact her again with the information.

If you haven't picked up your raffle tickets to sell or if you need more tickets, you can get them at any guild meeting or contact the raffle quilt chairs Cindy Kleve or Sandy Keller and they will make arrangements to get them to you.

WORKSHOPS

Nancy Piltz and Teri Olson

Workshop with Heidi Pridemore - November 5th, 9 am to 4 pm

St. Cloud Heritage Quilters will host a workshop with Heidi Pridemore of Whimsical Workshop. Heidi will teach “Rippling Waves”. Cost for guild members is \$40.

How many projects with curves have you passed up since it involves sewing curves? Heidi will help you learn to cut and sew curves quickly and easily in this class. You will never pass up a curved project again.

Now on to bias triangles, this project is made with Creative Grids Cat’s Cradle XL ruler, that takes all the triangles out of the process. Each block is made from rectangles and squares.

In this class we will spend the first half cutting out several curved blocks and go over the traditional and ruler method for the Cat’s Cradle blocks. The second half of the class we will sew our curves and blocks together.

To register, complete and mail the registration form with your payment or register at the October guild meeting. Spaces are limited.

SMALL GROUPS

Diann Kremer and Jan Stockinger

Some of the Small Groups are starting to meet again. If your small group is meeting, contact Diann or Jan and let them know so the information can be included in the newsletter.

Featherweight Group - The Featherweight Small Group is for sewers who own a Featherweight Sewing Machine. The group meets in person on the second Thursday of the month, from 9:30 am to 3:00 pm at Messiah Lutheran Church, 320 4th Ave N., Sartell. Cost is \$3 for use of the facility. Contact Julie Johnson to be added to the email list for meeting notices.

The Undercolor Club - The Undercolor Club is meeting again. We are in a different location. We meet at 5:30 pm in the seating area for the deli in CashWise, the last Wed. of the month. We still are working our way thru the lessons in "Color Play" by Joen Wolfrom. We pick a color grouping and either: make a block using that color challenge or bring fabrics that illustrate that group or find pictures to illustrate that group. Contact Marlyn Anderson if interested in joining.

The Scrappy Stashbusters - We have one rule! All fabric must come from your stash, except background and backing can be newly purchased! Have as many or as few fabrics in your quilt as you want! Emphasis is making your stash smaller! We have no meeting time, day, or place. Anyone in the Guild can join and sew when and where you choose! When you have your quilt finished you have made your stash a little smaller and you can keep your quilt or donate to the Guild where Sue or Pat will see that it goes to a well-deserved place. Win, win! Stash gets smaller and you put a smile on a well-deserved person's face! Take a picture of your quilt and write a little something about it and give it to me and we can make a photo album of them. Also, since it is a small group, we can put some in the Guild quilt show next year! Happy sewing. Contact Diann Kremer or Jan Stockinger.
