

## **Quilt Entry Registration Instruction**

**Entry Deadline is August 1, at the general guild meeting**

Please complete one form for each quilt/item. SCHQ Members Only.

Each Item must be placed in a pillow case. Only one item per pillow case. This is done to ensure that you receive all items back, and that they do not get dirty.

Your quilt and your pillow case must have your name and contact information on it. For the quilt, put it on the back bottom of your quilt. This will also help in determining which direction your quilt hangs.

**Member Name:** Your name must exist in the 2024 membership list.

**Email/Phone:** I need a way to contact you if I have questions.

**Quilt title:** \*Required\*. Information is hung by your quilt and adding a title will give it a polished, more engaging appearance from a distance. If no title is given, I will create one.

**Maker(s) of quilt:** For kids' quilts, you would put their name here.

Display Category: (must choose one)

**The SCHQ Small Group Challenge Quilts** should be checked if the quilt **is part of an SCHQ** small group, class or mystery quilt. If your small group has more than one challenge to display, then give each challenge a name. If not, then enter your small group name. Here is a list of some of the small groups in the last few years: Scrappy Stash Busters, Featherweight, Under Color Group, Karen's Hexi class, Susan Cleveland class, Tami Silvers two classes, Tracy Trevethan wool class, Mystery Challenges; Undercover In Houston,

**The Holiday Category** will be for any quilts that fall into the many special dates in the calendar year. This would include **Patriotic Quilts**, or one of the four seasons, and of course a Holiday. Please specify what category your quilt will fall into. It makes for a nice showing to have them hung together.

The **Special Group Category** should be used if you want to have 2 or more quilts hung together. List the **same group name** on each quilt entry that is to be hung together. We will do our best to hang them together, but space might be a problem.

If your quilt entry does **not** fall into one of the above groups, is **not** a **Kid's Corner** quilt, is not the **Star Challenge**, a **Wool** project, or you are **not** the **Featured quilter**, then it will fall into the **GENERAL** category. If your item is a piece of clothing, or something that cannot be hung up with hangers or pins, still select the **GENERAL** category, and then list what the item is in the **Special Handling Instructions**.

**Quilt size (to the nearest inch):** This is needed to organize the quilt display area.

**Is it OK to take photographs of this quilt?**

We like to show off our quilts and the wonderful items there is to see at the show. We like to share the quilts that win ribbons. We want to show off the quilts that the kids make. Your quilt will not be displayed on our websites if NO is selected.

**List Any Special Handling Instructions.** This includes any handling instructions of your item; from the time you drop it off to the time you pick it up. **This is also where you state if it's an object or garment**, is it something that can't be hung up with pins or hangers?

**History** – Not required but adds value to our quilt show. Tell us something about your quilt. Keep it within a paragraph or 5 to 6 sentences.

The St. Cloud Heritage Quilters and the Quilt Show Committee have **provided for security during the quilt show**, both while the show is open and overnight. You will receive a receipt/claim check for your quilt when it is checked in. Your quilt will be returned only upon presenting this claim check. The club and committee cannot assume any other responsibility for your quilt; the club does not carry insurance to cover your quilt.

No quilts will be accepted that have not been **finished—bound and quilted**. No hanging sleeves are needed. If pinning your labels on, you must use safety pins.

The final **deadline** to turn in your quilt registration is at the **August 1<sup>st</sup> general guild** meeting. Completed forms may be returned to **Maggie Voigt** via email or mailed. Please remember no entries will be accepted after **the August 1 general guild deadline!**
