

Speedy Bag

Canvas Bag 12"x43" finished.

Cut 1 piece 12 x 60 (58-60 wide fabric)

fold in half R. sides together
stitch sides

Square off the bottom.
approx. 1" from point

turn right side out

Stitch across the open
end (selvedges)

Stuff this end down
inside the bag (lining)

Press

Turn down 1" cuff at
top edge

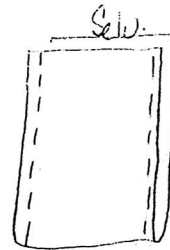

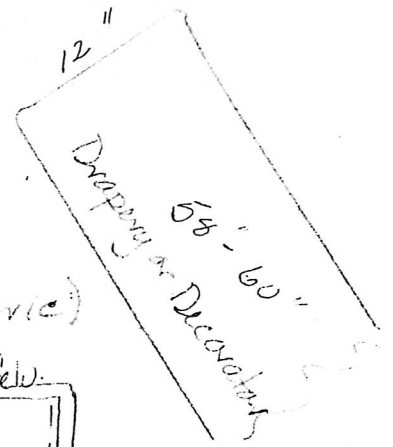

Add straps 17" on each side
tucking under the
folded cuff

Top stitch around the cuff
catching the handles.

Options: Grosgrain ribbon makes a
sturdy soft handle.

Fabric 45" w will yield a bag 11" x 12"
with no cuff.

Make any size bag you want; calculate finished bag
H x 4 by desired W
eg 10" x 8" bag cut 40" x 8" fabric piece.

Right sides
together.
