

Twenty Block Twin Quilt Top

AT HOME cutting instructions

Fabric requirements: 5 yards total

So, a combination of

- (5) 1-yard pieces or
- (10) $\frac{1}{2}$ yard cuts
- (20) fat quarters or
- a bunch of scraps

Ultimately you need:

- (20) $6\frac{1}{2}$ " x $10\frac{1}{2}$ " rectangles
- (20) $10\frac{1}{2}$ " x $10\frac{1}{2}$ " squares
- (20) $6\frac{1}{2}$ " x $16\frac{1}{2}$ " rectangles
- (20) $\sim 3\frac{1}{2}$ " x $16\frac{1}{2}$ " rectangles (for borders; sometimes the pieces left over don't allow a full $3\frac{1}{2}$ " width)

Here's how I do the cutting for this quilt top when using yardage:

1. Cut (2) 17" strips of fabric & stack them.
2. Turn the fabric 90 degrees & cut the stack at $10\frac{1}{2}$ " x 17." Save the remaining pieces for the borders.

3. Take the $10\frac{1}{2}$ " x 17" piece, turn it 90 degrees & sub-cut into $6\frac{1}{2}$ " x $10\frac{1}{2}$ " and $10\frac{1}{2}$ " x $10\frac{1}{2}$ " stacks.

4. Cut $\frac{1}{2}$ " off the $6\frac{1}{2}$ " x 17" stack \rightarrow $6\frac{1}{2}$ " x $16\frac{1}{2}$ " pieces.
5. Once you've cut all of the block pieces, determine how wide your border pieces can be & then cut them all to that width. Choose (1) border piece and sub-cut it into (4) $3\frac{1}{2}$ " x $3\frac{1}{2}$ " pieces for the border cornerstones.

Follow the same directions for fat quarters.
